

"Let the little children come to me, and do not hinder them, for the Kingdom of heaven belongs to such as these."

Matthew 19:14

Dear parents,

Before we talk about registration for next year, I would like to take this opportunity to thank you for continuing to journey with us during this most unusual year of faith formation. When you registered with us last year, who knew that life as we knew it would change so drastically, in our homes, our schools and our world! Having successfully navigated the Virtual waters for this year, we look forward to a new year of In Person Catechesis and At Home Faith Formation for 2021-2022.

As always, we look forward to working closely with you to help provide a Christ-filled school year for all the students of the parish who attend public school. Please know that as parents you are invaluable to this program. We recognize that you are the first teachers of your children and that no one knows them better or loves them more than you do. It is our goal, therefore, to work with you to support the faith formation of your child.

Our PSR program attempts to balance religious instruction with the experiences of Catholic community, service, and worship throughout the year. It attempts to meet the needs and understanding of all children and families, recognizing that there are varying degrees of catechetical background, understanding, and experiences.

Our children want to know there's a God out there who hears, understands, and loves them and they want to know that we as a Church listen, understand, and love them as well, and are eager to accompany them on their journey of faith. We strive to inform our children and families in the basics of the Catholic faith; assist parents in forming the children's ongoing spiritual development; and finally, be an instrument in transforming these children into Catholic Christian citizens with a strong faith on which to base their future spiritual growth, and to enable them to be evangelizers to the communities in which they will live. All this is accomplished by the grace of the Holy Spirit.

2021/2022 PSR School Year **PSR Registration & Payment**

We charge a fee in order to provide the best catechetical program for your children. We must stress that we want all children to be able to avail themselves of a religious education so tuition assistance or payment plans will be available to help families who may be struggling financially.
